

Declaration of Participation

To whom it may concern,

This declaration formally certifies that **Eng. Lucas Moura do Nascimento** provided consultancy services to **Korea Institute of Technology - KIT Design** in the Republic of Korea from **September 4th to September 12th, 2025**.

During this period, Eng. Nascimento contributed his expertise in **RoboCup competition management** to support the organizational and technical preparation for the **RoboCup 2026 World Championship**, which will take place in Incheon, South Korea.

His consultancy activities included knowledge sharing, operational planning, venue inspection, and technical discussions with local stakeholders. These efforts were essential to strengthening international collaboration and ensuring the successful preparation of RoboCup 2026.

We hereby acknowledge and confirm Eng. Nascimento's valuable participation and contributions during this consultancy.

Sincerely,

Kidong Son 

Ki-Dong Son
Director, RoboCup 2026 Operations Team
Korea Institute of Technology (KIT)
