Declaration of Participation

To whom it may concern,

This is to certify that **Eng. Lucas Moura do Nascimento** actively participated as a speaker in the “**International Seminar with Robotics and AI Experts for RoboCup 2026 Incheon**” held on **September 12, 2025**, in the Korea Association of Robot Industry, in the Republic of Korea, as part of the preparatory activities for the **RoboCup 2026 World Championship in Incheon**.

During this workshop, Eng. Nascimento contributed to the session “**Briefing on Preparations for RoboCup 2026 Incheon**”, addressing key topics including:

- Matters regarding the restructuring of RoboCup Federation leagues
- Presentation and discussion of KIT Design proposals
- Review and analysis of organization plan
- Open Q&A with participants

His presentation provided valuable insights and technical expertise that supported the organizational planning and international collaboration efforts for RoboCup 2026.

We hereby acknowledge and confirm Eng. Nascimento’s active role and contribution in this workshop.

Sincerely,

Kidong Son 

Ki-Dong Son
Director, RoboCup 2026 Operations Team
Korea Institute of Technology (KIT)
